PRESS RELEASE

SUBJECT: WPD Local Traffic Authority Notification

LOCATION: Oil Mill Road – I-95 Bridge Replacement and Traffic Detours

PRESS RELEASE DATE: 03/03/16

PREPARED BY / APPROVED BY: Traffic Off. O'Connell / LT. David Burton

---

The State Department of Transportation, through its Contractor, Brunalli Construction Company, is scheduled to begin the replacement of both the north and south sides of the Interstate 95 bridge over Oil Mill Road on March 14th. This is a large-scale construction project that is expected to be completed by November 30, 2016.

Please realize that there will be delays and inconveniences while this work is being performed that will include the complete CLOSURE of Oil Mill Road between Parkway North and Gurley Road during the project. No through traffic will be allowed during the road closure. Detour signage will be posted throughout the nearby area to assist motorists.

Thank you in advance for your cooperation and patience.

*****PLEASE PUBLISH BY March 5, 2016*****
