

AD-HOC Playground Committee
Meeting Minutes
July 21st, 2009

In attendance:

Jane Dunlop, Committee Chair
Eric Doshna, , Melissa Guarneri,

Update on donations:

The Gardiner family has a now made a total donation of \$30,000.

Received by Rec & Parks - \$4042

Waterford Park Foundation - \$3045

Fundraising events - \$419

Brian Flaherty is working on a phased approach for the Civic Triangle location to begin in the fall. He is working on the basis of a community build, using wood mulch for surfacing, which would be upgraded to poured in place rubber at a future stage. There is a potential \$10,000 contribution from Youth Services that could go towards levelling the site.

Eric raised concerns about having the Civic Triangle location tested properly.

There was a discussion on prioritising the pieces of equipment if the playground is gong to be phased in. For visual impact it was felt that the Lighthouse structure would be most important, followed by the Tractor playscape to provide equipment for the 2-5 age range.

1. Lighthouse playscape
2. Tractor playscape
3. Fire Engine structure
4. Swings
5. Climbing Boulder

Jane will advise Brian about the above.

Fundraising events:

The movie night at the beach raised \$30, so the committee is not planning to participate in the August one.

During Waterford Week the committee will take a table at the Flea Market/Arts Craft Fair on Saturday 15th Aug. in addition to taking part in the parade and having Firetruck rides at the Family Fun night on the 16th Aug.

We would also like to have an information table at the Harkness Family Fun Day on the 13th September, but we need someone to take that on as both Melissa & Jane are away on that date.

Jane will coordinate a benefit concert at Fire & Ice Café in Waterford, to take place sometime in September.

Melissa will liaise with Kerry Sullivan over the Fall Festival, Oct 24th at Stenger Farm, possibly organising a road race.

Jane will create a new Facebook page for the changed location

Eric will work on a logo for bumper stickers – Waterford Community Playground

The next meeting will take place on Tuesday, 18th August.

The meeting was adjourned at approximately 7.30p.m.
