

PLEASE NOTE – As per Waterford Code of Ordinances

13.08.180 - Prohibited connections.

No person shall make connection of roof downspouts, exterior foundation drains, areaway drains or other sources of surface runoff or groundwater to a building sewer or building drain which in turn is connected directly or indirectly to a public sanitary sewer or combined sanitary and storm sewer.

13.08.220 - Prohibited discharges.

No person shall discharge or cause to be discharged any stormwater, surface water, groundwater, roof runoff, subsurface drainage, uncontaminated cooling water or unpolluted industrial process water, swimming pool water or mobile home holding tanks/chemical toilets to any sanitary sewer. The steam cleaning of automotive or other mechanical equipment over manhole covers is prohibited as well as the depositing of wastes from such operation into the sewer system.

13.08.400 - Violation—Penalty.

A. Any person found to be violating any provision of this chapter, except Sections [13.08.040](#) and [13.08.380](#), shall be served by the water and sewer commission with written notice stating the nature of the violation and providing a reasonable time limit for the satisfactory correction thereof. The offender shall, within the period of time stated in such notice, permanently cease all violations.

B. Any person who continues any violation beyond the time limit provided for in subsection A of this section is guilty of a separate offense for each week the violation is so continued. Upon conviction thereof the person in violation shall be fined in an amount not exceeding **one hundred dollars for each offense.**

C. Any person violating any of the provisions of this chapter shall become liable to the town for any expense, loss or damage occasioned the town by reason of such violation.

Prohibited (sump pumps) or rainwater from roof, or outside.

Acceptable. No connection to the sanitary sewers.
