Notes: _____

What is Geocaching?

Geocaching is a real-world, outdoor treasure hunting game using GPS-enabled devices.

Participants navigate to a specific set of GPS coordinates and then attempt to find the geocache (container) hidden at that location.

Get the app on your phone or use a GPS. It's easy and fun for the whole family.

<https://www.geocaching.com>

This brochure was part of Kaitlyn Dow's (WHS 2017) Girl Scout Gold Award Project.

Please exercise caution while searching for the geocaches.
