JUNE 2018 ADULT PROGRAMS

Wednesday, June 6, 6:30 pm

ConnectiCare Medicare Seminar: Making Connecticut healthier since it was founded in 1981 by a group of doctors, Connecticare offers a range of plan options, giving you the benefits you need at a price that works. If you're turning 65 or are over 65 and new to Medicare, it's time to start exploring your Medicare options, even if you're still working.

Presented by Mark Lee of Mark Lee & Associates in Oakdale, CT, an experienced independent financial professional.

Tuesday, June 19, 6:00 pm

Scrabble Club: Join other Scrabble enthusiasts and play at the library every 3rd Tuesday of the month, 6 to 8:00 pm.. Boards will be provided or bring your own. This is a free event.

Wednesday, June 20, 7:00 pm

Poetry Potluck Series with Suzy Lamson: This is an opportunity to share poems, to discover new poets, to discuss poetry and the poetic process and the importance of the written word in our lives. Please bring a copy of your favorite poem (not one written by you). Poets, writers, and readers of all genres are welcome. Join us on the third Wednesday of the month during June, July and August.

Thursday, June 21, 6:30 pm

Privacy Matters: Facebook, Google and your Online Security. Recent accusations against Cambridge Analytica have revealed the extent of social media surveillance in our online communities; however, web companies at large are participating in many of these same activities. This presentation will outline methods companies use to survey your online activity and will provide recommendations on how to protect your data.

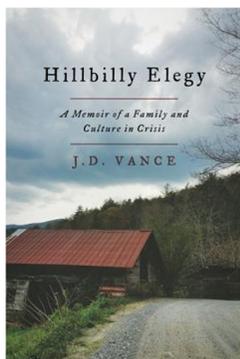

Andy Boyles Petersen is the Instruction and Outreach Librarian at the Loomis Chaffee School. His research examines the role of surveillance and privacy in digital environments.
