

WATERFORD WETLANDS AND WATERCOURSES

-  Water
-  Wetland Soils

NOTE: This map is for general information purposes only and does not represent field delineations of inland wetlands and watercourses. The mapping is based on soil boundaries as depicted in the Soil Survey of New London County.

SOURCE: USGS and SCS

Planimetric features were compiled by Sanborn Mapping Company and are based on an aerial flight performed April 2009.

MAP DATE: August 14, 2014
