**4. PRE-APPLICATION REVIEW**

Pre-application review pursuant to CGS Section 7-159b and Section 22a.5 of the Waterford Zoning Regulations of a potential application for Electric Boat Division of General Dynamics at 850 Hartford Turnpike.

Atty John Casey, Robinson & Cole, introduced the project to the Commission and noted the following people were part of the design team. Devin Xenelis, Electric Boat, Jim Waldron, Electric Boat, Arty Brogno, Electric Boat, Ross Gionfriddo, Electric Boat, Amanda Magee, Electric Boat's Owner's Representative, Bryan Donovan, DME Engineers, Jason Brown, DME Engineers, Kyle Haubert, CLA Engineers, and Chris Bockstael, FCA Architects were present. He stated that the formal application submitted will be for a modified Special Permit and Site Plan.

K. Haubert reviewed the existing conditions of the site, noting it is 6 parcels that total 83 acres. There are currently approximately 3,900 parking spaces. This will be a reuse of the existing buildings, limited site work is to be proposed. They are proposing to remove the existing cart return areas and convert those areas to additional parking spaces. The existing landscaping and landscaping islands are to be revitalized with additional plantings and landscaping to be added. They propose to have a unified campus appearance. Parking lot repairs will be made with resurfacing done last. The entrances will remain unchanged.

25 DEC - 9 PM 2:45  
RECEIVED FOR RECORD  
WATERFORD, CT

C. Blockstael noted that the building will be secured with entry only accessible by employee's badge. There will be no locked gates or perimeter fencing proposed around the campus. Overall the exterior of the building will remain unchanged except for minor cleaning and repointing. The receiving and loading docks may be modified slightly to meet the needs of Electric Boat.

A traffic engineering firm will be performing a traffic impact study. The project team for Electric Boat will provide more detailed plans and reports in support of the formal submission of a modified Special Permit and Site Plan application.
