**TOWN OF WATERFORD
FY2024 BUDGET REQUEST
Flood and Erosion Control Board (10141)**

BUDGET FUNCTION

The Flood and Erosion Control Board will continue to prioritize objectives and further projects regarding erosion and sedimentation of waterways and surrounding resources. The Flood and Erosion Control Board members will continue to pursue training opportunities to enhance their knowledge base and technical skills. The proposed budget provides for professional training and attendance at workshops to continue professional development of Board members.

The Flood and Erosion Control Board plans to coordinate its efforts in working with other Town departments and agencies to minimize erosion and damage to fragile dune and tidal marsh areas from pedestrians, watercraft and pets in accordance with the Plan of Conservation & Development and adopt recommendations of the Climate Change Risk Vulnerability, Assessment and Adaptation Study completed for the Town of Waterford.

The Board continues to make recommendations of the Planning and Zoning and the Conservation Commission, if requested, concerning flood and erosion requirements of proposed construction projects throughout the town during the course of the year.
