407 Boston Post Road

Mr. Stankiewicz,

The Waterford Conservation Commission reviewed photographs of the wetland restoration area submitted by staff at their meeting held on May 25, 2023.

The Commission approved the wetland restoration work and finds the violation cited on December 5, 2022 has been corrected. The property is in compliance with the inland wetland and watercourses regulations.

Thank you for your cooperation in resolving this matter.

Respectfully,

Maureen FitzGerald
Environmental Planner
