235	The representation in the town is laughable. It's worse than a high School drama television show. People are out for themselves and not to make the town a better place. Just look at the ridiculousness surrounding the current and newly formed board for the fire departments. You've done nothing but drive away volunteers, waste a bunch of taxpayer money, and have zero to show for it, except putting the townspeople in danger. Thanks for nothing.	8/23/2019 11:12 AM

355	There need to be increased transparency on the town website. For example town meeting such as planning and zoning are only announced in the newspaper and while I understand that is required in this day and age no one should have to go down to the towns clerk office in person to then research what's been filed in an application, permit etc. This comes across as the town trying to hide things from the residents, even the ones in the know.	8/23/2019 5:47 PM
