

Living Dragons with Riverside Reptiles Education Center

Thursday, August 14, 2:30PM - 3:30PM

Dragons?! No, not real dragons - lizards! Meet many different species of lizards: geckos that can climb glass, skinks with bright blue tongues, a legless lizard, a cousin of the Komodo Dragon, and a snake - with claws?! Meet these and many more as we venture into the realm of living dragons. Ages 4 and up, **registration required**.
