Discovery begins here.

How It Works:

- Color the different spaces on the game board as you complete the different activities and read towards your goal.
- Once you've finished the game, fill out and cut off the bottom slip. Bring it to the Children's Room by **August 25** to receive a prize and be entered into the Grand Prize Raffle!
- Optional: Use the reading log if you would like to keep track of the books you read this summer.
- You can also log your minutes online using the free ReadSquared app.
