Item 3b:

1. M. Zeldis, Chairman started the discussion related to the newly designed form for complaint. The layout of the form was discussed – changes are to be made to sections 1-3. The commission decided to remove the words “under oath” in the signature section. The final decision as to how the form will read will be deferred until Attorney Avena reviews the language.

The form will be placed at the end of the Code as an appendix and will be referenced in subsection A of 2.50.070. A discussion ensued on whether the form usage should be mandatory or elective. Chairman Zeldis will discuss specifics of the form with Dave Campo, Town Clerk, before the next Special Business meeting.

2. Chmn Zeldis led the discussion related to the wording used for the newly formed quorum requirements. The discussion continued with a review of 2.50.040 subsection C and subsection D. M. Burnham read a portion of Roberts Rules to clarify the quorum and voting on business transacted. Further discussion referred to the process of votes in official business capacity. To clarify regular business transactions from complaint violation voting a revision will be made to subsection D.

3. M. Burnham asked to review a portion of 2.50.070 Subsection B. It was suggested that the word “written” be placed before the word “request”. Discussion ensued and the Commission decided that Subsection A established the requirement for a written request.

4. 2.50.070 Subsection A will have semi colons replaced with commas in items of a list 1-6.
