ATTENTION RESIDENTS

The Town of Waterford, through its’ Contractors Rafferty Fine Grading and Charles Pasteryak LLC will be working on Chapman Ave and a portion of Pilgrim Road, from the intersection of Chapman to Bloomingdale Road. This work will begin the week of April 20, 2020 and continue through the end of the month. The roadway will be reclaimed first and then the paving company will come through to finish the work. Please use caution while driving this way. While all efforts will be made to allow for access to your property, please realize that there may be some delays and inconvenience while this work is being performed. Alternate routes are suggested during this period. There may be alternating one-way traffic while this roadwork is being completed. Thank you in advance for your cooperation and patience. Be advised, this work is weather dependant.
