Waterford Public Schools
Teachers, Staff, Parents, and Community

The search for a new Superintendent of Schools is well underway. A very important part of the process is to solicit community input about the attributes, experiences and desired goals for a new Superintendent. This will be of valuable assistance to the Board of Education as they interview all semi-finalists and finalists.

Drs. Carolyn Burke and Joseph Wood, Search Consultants with the New England School Development Council (NESDEC), will meet with interested staff, parents and community members either in small focus groups or at public forums. Each person’s contribution to the group is very important to the process. The Board of Education wants and values your opinions. We hope you will take advantage of this opportunity to participate in the process as we search for a new Superintendent for Waterford Public Schools.

There is no registration required and the open meetings are scheduled as follows:

- **Tuesday, May 12, 2015:**
  - School Staff: 2:45pm – 5:15pm, Clark Lane Middle School Cafetorium
  - Community/Parents: 7:00pm – 8:30pm, Clark Lane Middle School Cafetorium

- **Wednesday, May 13, 2015:**
  - School Staff: 2:30pm – 5:00pm, Waterford High School Library
  - Community/Parents: 7:00pm – 8:30pm, Waterford Town Hall Auditorium

Additionally, if you are unable to attend one of these sessions, the consultants would be pleased to receive your comments in writing. Please direct them to: Dr. Joseph Wood, NESDEC, Waterford Superintendent Search, 28 Lord Rd., Marlborough, MA 01752 or email: search@nesdec.org.

The Waterford Board of Education welcomes and encourages you to participate in this process. If you have any questions, please do not hesitate to call Joyce Sauchuk, Director of Human Resources, at 860-444-5833 or Joan Barnes, Executive Secretary, at 860-444-5832.

Sincerely,

Jody Nazarchyk
Waterford Board of Education Chairperson
